

8. What was the intern’s “GLOW”? (What did the intern do really well?)

9. What was the intern’s “GROW”? (What does the intern need to continue to work on?)

I verify that we conferenced to discuss the lesson observed.

Mentor Observation Report # 2

Mentor: _____ Date: _____ Time Observed: _____

Intern: _____ Subject: _____ # of Students: _____

1. Was there a clear lesson plan in place?
2. Were the TEKS clearly addressed?
3. Was the objective communicated to students?
4. Give a brief description of how the teacher structured their lesson (warm up, direct teaching, guided practice, independent practice, closure):
5. What teaching methods/strategies did the teacher implement? (whole group, small group, independent, manipulatives, etc.)
6. What classroom management strategies did the teacher use?
7. Did the teacher use a variety of activities to address different learning styles? Explain.

8. What was the intern’s “GLOW”? (What did the intern do really well?)

9. What was the intern’s “GROW”? (What does the intern need to continue to work on?)

I verify that we conferenced to discuss the lesson observed.
