

Clinical Teaching Request

Deadlines: **June 30** for Fall Placement or **November 1** for Spring Placement

Clinical teaching is a **non-paid** semester (12 weeks) of classroom teaching under the supervision of a certified teacher to complete certification requirements in lieu of the internship.

All TPCP requirements must be completed prior to beginning the clinical teaching. Please complete this form by the specified date and submit to your Certification Specialist.

It is important that you commit to this certification option prior to sending in a form. You should not seek your own clinical placement. TPCP works with districts to follow placement policies.

Semester Placement Request (check one) Fall _____ Spring _____

District Request

You are welcome to list a preferred campus with your choices, but this campus may not be available for clinical teaching. We will attempt to place you in one of the two districts you have listed below, if possible. If the district you prefer is not available for clinical teaching, we will strive to secure a placement that is as close as possible to your home.

#1 Choice: District Name_

#2 Choice: District Name_

If Generalist, grade level/content area preference _

You will be contacted regarding confirmed placement and start date once all details are verified.
