

Funding Options for
Region 7 Education Service Center
2020-2021 Services and Agreements

Payment using federal/state grant funds for services is contingent upon school's receipt of the award and must be aligned with the grant period of availability.

If using funds for Region 7 ESC services, ensure that these services are written into district and campus plans, if required.

Schools must comply with supplement, not supplant requirements.

Schools must assure that use of funds complies with grant requirements.

X Allowable as an overall district expenditure.

* This fee may be paid from this fund source for the targeted population only.

** Allowable for Title I, Part A schoolwide campuses.

CP Commissioner's Priorities
